Special Guest: Brandon Moore

Brandon was formerly Community Theatre and Communications Manager at Theatre Ontario and has served for over fifteen years as a member of the Ontario Ministry of Labour, Training, and Skills Development's Advisory Committee for Live Performance." Brandon will provide an update on this committee's work on developing occupational health and safety guidelines for live performance. Even though only some WODL theatres are "employers" in the legal sense of the word, these guidelines will be helpful for community theatres.

WODL, like the rest of the world, has had to adjust to the new normal in these difficult times. If you have any questions about the General Meeting, please contact secretary@wodl.on.ca . We have done our best to ensure that this General Meeting will go as smoothly as possible and look forward to having you join us!
